

To all RFG2018 Participants

The Association of Applied Geochemists invites you to a **Gala Dinner on Wednesday, June 20, 2018** for a truly one-of-a-kind experience, dining amongst the 50,000 inhabitants in the halls and galleries of the spectacular Vancouver Aquarium. The evening will include travel by private coach to scenic Stanley Park. A welcome reception drink and tour of the aquarium's outdoor exhibits or participating in the AAG awards ceremony. Dinner prepared by executive chef Ned Bell while enjoying BC Okanagan wine. Then touring the aquarium's interior exhibits or taking in presentations by the aquarium's science staff on research conducted in the high-arctic and the Pacific Northwest. Private coaches will return our guests to the Conference Centre.

Tickets are **CDN \$120** and can be ordered on-line from the RFG2018 Registration site. After ordering your ticket(s) you will receive an acknowledgement email within a few days containing a menu and request for your choice of meal and seating companions. A Gala Dinner information package will then be sent to you providing details on events, transportation, etc.

We hope you will join us!
