

Jamil Sader

Dr. Jamil Sader obtained his B.Sc. from the University of Saskatchewan, his M.Sc. from the University of Texas at Dallas, and his Ph.D. from the University of Ottawa. He has over 20 years of experience in academic, technical, and senior management roles with government and small to large cap exploration/mining companies including MMG Resources, Anglo American, and Bureau Veritas Minerals. His extensive experience, from field geologist to senior management, has provided him a deep technical understanding across many facets of base, precious, and critical metals, and an extensive global network of geoscience professionals. Dr. Sader became an Association of Applied Geochemists Fellow in November, 2021, and is currently President of MineScience Advisors.
