

## Ryan Noble

Dr Ryan Noble is a Senior Principal Research Scientist and the Group Leader of Predictive Mineral Systems Science with the Commonwealth Scientific and Industrial Research Organisation (CSIRO) in Perth, Western Australia. He has been with CSIRO for 15 years working on geochemical research with application to the exploration industry. Ryan has a BSc and MSc in Soil Science from the University of Tennessee and a PhD in Applied Geology from Curtin University. Ryan has worked on numerous regolith and groundwater geochemistry projects related to gold, base metal, Ni and U mineral exploration. He is a Past-President and a Fellow of the Association of Applied Geochemists. Currently, Ryan serves on the Editorial Board for GEEA and as a Board member of the Australian Geoscience Council, Earth Science Western Australia and the Elements journal. Building on his earlier activities in the AAG, Ryan is keen to continue his involvement to strengthen the AAG and the benefits to its members.
